

Careers Research Resources

1. Career Finder: <http://www.yourfreecareertest.com>
2. EBSCOhost: <http://search.ebscohost.com>
3. U.S. Bureau of Labor Statistics: <https://www.bls.gov/>
 - a. Career Exploration:
<https://www.bls.gov/k12/content/students/careers/career-exploration.htm>
 - b. Occupational Outlook Handbook: <https://www.bls.gov/ooh/>
4. The Balance Careers: <http://www.thebalancecareers.com>
5. PBS Learning Media: <http://www.pbslearningmedia.org>

Research doesn't stop with just a few sites! These sites are a jumping off point. When you see something that interests you on one site, Google that subject matter to find related sites. This will make for a richer understanding of your topic as well as a more interesting paper. Even when you find yourself veering away from "career research," if you are reading relevant materials, it will broaden your sense of the career in general.
